Grievance 19

May 29, 2018

New California is a new state in development exercising its Constitutional Right to form from the State of California. The process to form New California is authorized and codified in Article IV Sections 3 & 4 of the United States Constitution.

Article IV Section 3 United States Constitution states:

New States may be admitted by the Congress into this Union; but no new States shall be formed or erected within the [Jurisdiction](#) of any other State; nor any State be formed by the Junction of two or more States, or parts of States, without the Consent of the Legislatures of the States concerned as well as of the Congress.

Statement of Intent

The Citizens of New California have decided to remedy the abuse of power by the government of California by exercising their right to form a new state provided in United States Constitution Article IV Sections 3 and Section 4.

“We are determined to live under a State Government in the United States of America and under the Constitution of the United States”.

New California Declaration of Independence of January 15, 2018 states:

“Whenever any Form of Government becomes destructive it is the Right of the People to alter or to abolish it, and to institute new Government.

When a long train of abuses and acts to seize and hold the people’s power without legal authority and pursuing invariably the same Object that clearly demonstrates a design to reduce them under absolute Despotism, it is their right, it is their duty, to throw off such Government, and to provide new Guards for their future security.

So it is the history of the past and present Governor and Government of California who have a history of repeated injuries and usurpations, all having in direct Object the establishment of a Tyranny over the Counties of New California and the State of California.

Whenever any Form of Government becomes destructive of these ends, it is the Right of the People to seek a constitutional remedy to the abuse of powers”.

First Amendment of the United States Constitution states:

Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the government for a redress of grievances

Therefore the Counties of New California bring forward 40 Grievances against the government of California to be announced in public on Tuesday at 11:00 am each week for 40 weeks.

State of New California

Grievance 19

Statement of Facts

The people of California are suffering from a tyrannical communist state government which fails to provide a republican form of governance, enables and supports across it's southern border the invasion of the United States of America by illegal foreign nationals and protects vicious criminals who commit outrageous acts of violence upon the Citizens of America. All caused by a government of and for a mono party system lead by a tyrannical dictator.

Declaration of Grievance

Declaration of Grievance

United States Constitution Article IV Section 4 States in part:

The United States shall guarantee to every state in this union a republican form of government, and shall protect each of them against invasion; and on application of the legislature, or of the executive (when the legislature cannot be convened) against domestic violence.

Failure of the government of California to provide a republican form of government

The communist California *caudillo* governor, the communist mono party system working side by side with communist local election officials have created a state-wide fraudulent election system in which a one party system will be guaranteed to control the state legislature, the state executive *caudillo*, the judicial systems and members of the United States Congress thus destroying the sovereignty of California.

The corrupt mono party system and Communist elites devised a scheme to alter the representative voting districts of both the state and U.S. Congressional districts. Starting in 2008 Communist elites sponsored and financed Proposition 11 to alter the state voting districts for the assembly and senate. In 2010 the same players sponsored Proposition 20, which applied voter redistricting to U.S. Congressional seats. The end result was the formation in 2010 of the “California Citizens Redistricting Commission”.

The commission was designed to be non-partisan yet the result of the commission’s actions have been only to insure that a totalitarian Communist mono party system be implemented. Several of the commission members have strong ties to radical Communist party affiliates including those who espouse the violent overthrow of the United States and California State government.

Open “Public” meetings of the California Citizens Redistricting Commission are conducted in Mexico in direct violation United States Constitution Article IV Section 4, Article VI Clause 2 and the California State Constitution “**Bagley-Keene Open Meeting Act**” which states:

"The people of this state do not yield their sovereignty to the agencies which serve them. The people, in delegating authority, do not give their public servants the right to decide what is good for the people to know and what is not good for them to know. The people insist on remaining informed so that they may retain control over the instruments they have created."

When combined with Proposition 140 from 1990 and Proposition 14 from 2010 the Communist *caudillo* state governor and the mono party system have created a structure of voter suppression that only benefits the tyrants. Combined with rampant voter fraud at the local and state levels the Communist *caudillo* governor and mono party system have destroyed the last vestiges of a republican form of government as guaranteed by Article IV Section 4 of the United States Constitution.

Utilizing *Marxist-Leninist* and *Maoist revolutionary tactics* the communist California *caudillo* governor, mono party system and local government officials support and celebrate these tactics as a means to introduce and subvert all aspects of California government and civil society in an attempt to destroy the State of California and breakdown the sovereignty of the Union of the United States of America.

Acts of Secession

Therefore the California communist government in conjunction with the communist state executive *caudillo*, instituted wherever the current communist governor has usurped power has created a reign of terror on United States Citizens living in California with the intent to **secede** from the United States of America and thus destroy the very **Union of States** which gives **Us** our **Liberty and Freedom**.

Abdication of Authority

Betrayal by the sitting communist *caudillo* governor of California the mono party legislature and local elected officials is evidence of **abdication** of their **responsibilities** of **authority** and **sovereignty** over the State and Citizens of the United States living in California.

This concludes these proceedings.
