### Article IV Section 3 United States Constitution states:

*New States may be admitted by the Congress into this Union; but no new States shall be formed or erected within the [Jurisdiction](#) of any other State; nor any State be formed by the Junction of two or more States, or parts of States, without the Consent of the Legislatures of the States concerned as well as of the Congress.*

### Statement of Intent

*“We are determined to live under a State Government in the United States of America and under the Constitution of the United States”.*

## **New California Declaration of Independence of January 15, 2018 states:**

## Declaration of Grievance

### Statement of Facts

The people of California are suffering from a tyrannical communist state government which fails to provide a republican form of governance, enables and supports across it's southern border the invasion of the United States of America by illegal foreign nationals and protects vicious criminals who commit outrageous acts of violence upon the Citizens of America. All caused by a government of and for a mono party system lead by a tyrannical dictator who openly defies federal law.

### **California State Government is in Direct Violation of the Following:**

United States Constitution Article IV Section 4

***"The United States shall guarantee to every state in this union a republican form of government, and shall protect each of them against invasion; and on application of the legislature, or of the executive (when the legislature cannot be convened) against domestic violence."***

### **CALIFORNIA STATE CONSTITUTION**

**ARTICLE I DECLARATION OF RIGHTS [SECTION 1 - SEC. 32]**

*(Article 1 adopted 1879.)* **SECTION 1.**

***All people are by nature free and independent and have inalienable rights. Among these are enjoying and defending life and liberty, acquiring, possessing, and protecting property, and pursuing and obtaining safety, happiness, and privacy.***

## **GUBERNATORIAL INCOMPETENCE AND DISINTEREST IN THE FACE OF THE CAMP FIRE NATIONAL DISASTER**

Rather than working to mitigate the national disaster that the Camp Fire in Paradise, CA has now become, the citizens are experiencing gubernatorial abandonment. The surviving and displaced victims of the fire who remain helpless in the disaster area are now homeless, left exposed to the weather, and sickness with diseases reported to be breaking out among them. After appearing for photo opportunities, the current governor and his successor-elect have left the disaster area, leaving the victims in the condition they found them – destitute, homeless, exposed to the elements, and at risk of sickness and disease now verified to be spreading among the exposed victims. Although the Governor is at the top of the chain of command of the State Guard and the National Guard while it is on duty in the state and not federalized, these resources have not been used to assist the victims in any significant way. The experience of the victims in the “fly-over” counties of rural California is one of destitute neglect by the government that purportedly represents them.

## **DEPLORED CITIZENS IN THE “FLY-OVER” COUNTIES OF RURAL CALIFORNIA ARE ON THEIR OWN**

The citizens of rural New California are learning neglect and infidelity on the part of the California government is the “new normal”. Its apparent to the victims of the Camp, Woolsey fires and the Oroville Dam disaster – all of which were verifiably caused and/or exacerbated by man-made acts and omissions are not the subjects of concern by the California government. While the gubernatorial authorities embrace the tenet of an unscientific and speculative anthropogenic global warming phenomenon as the cause of California’s fires, and do so with a politically motivated and hysterical religious fervor; and while they refer to these fires as the “new normal”, the citizens of rural New California State are learning the “new normal” is really one of government neglect, abuse, and preferential treatment of mono party loyalists residing in the urban/metro areas of California creates a dictatorial and regulative environment which guarantees continued fires of ever-increasing size and scope.

## **BLAME-SHIFTING BY GUBERNATORIAL AUTHORITIES RELYING ON DANGEROUS JUNK SCIENCE CREATE A SELF-FULFILLING PROPHECY**

The same communistic regulatory apparatus that gridlocks business development in California that perpetuates poverty in the rural counties, and is based on the “junk science” premise that carbon dioxide is causing the planet to overheat is now creating a self-fulfilling prophecy whereby the same regulations that forbid proper care and management of our forests is leading to out-of-control fires. The

junk scientists and mono-party globalist beholding to an anti-sovereignty scheme desire as the outcome in true blame-shifting fashion, blame “global warming”. Because of gubernatorial and legislative adherence to unscientific and ideological premises, which prohibits the proper management of our forests California citizens have been deliberately incinerated in intense fires that were all preventable.

## **Insurrection**

The government of California, the current governor and mono party system along with local officials are following a coordinated design with the intent to actively engage in *acts of insurrection* against the U.S. Constitution.

The **Insurrection Act of 1807** is a [United States federal law](#) that governs the ability of the [President of the United States](#) to deploy [military troops](#) within the [United States](#) to put down [lawlessness insurrection](#), and [rebellion](#).

## **Illegal Acts and Tactics**

Utilizing *Marxist-Leninist* and *Maoist revolutionary tactics* the communist California governor, mono party system and local government officials support and celebrate these tactics as a means to introduce and subvert all aspects of California government and civil society in an attempt to destroy the State of California and breakdown the sovereignty of the Union of States of America.

## **Acts of Secession**

Therefore the California communist government in conjunction with the communist state executive, instituted wherever the current communist governor has usurped power has created a reign of terror on United States Citizens living in California with the intent to **secede** from the United States of America and thus destroy the very **Union of States** which secures our **Liberty and Freedom**.

## **Abdication of Authority**

Betrayal by the sitting communist governor of California the mono party legislature and local elected officials is evidence of **abdication** of their **responsibilities** of **authority** and **sovereignty** over the State and Citizens of the United States living in California.

## **Prayer**

**The Citizens of New California State Pray for the President to exercise his authority under the Insurrection Act of 1807 to end the tyranny being foisted upon the United States Citizens living in California State.**

**This concludes these proceedings. [newcaliforniastate.com](http://newcaliforniastate.com) (877) 828 2753**
