Grievance 82

August 20, 2019

New California is a new state in development exercising its Constitutional Right to form from the State of California. The process to form New California is authorized and codified in Article IV Sections 3 & 4 of the United States Constitution.

Statement of Intent

The Citizens of New California have decided to remedy the abuse of power by the government of California by exercising their right to form a new state provided in United States Constitution Article IV Sections 3 and Section 4.

“We are determined to live under a State Government in the United States of America and under the Constitution of the United States.”

New California Declaration of Independence of January 15, 2018 states:

“Whenever any Form of Government becomes destructive it is the Right of the People to alter or to abolish it, and to institute new Government.

When a long train of abuses and acts to seize and hold the people’s power without legal authority and pursuing invariably the same Object that clearly demonstrates a design to reduce them under absolute Despotism, it is their Right, it is their Duty, to throw off such Government, and to provide new Guards for their future security.

Preamble of the New California State Constitution states:

We, the representatives of the undersigned Counties within the State of California, do acknowledge and humbly invoke the favor of Almighty God for continued civil and religious liberty to ourselves and our posterity....

First Amendment of the United States Constitution states:

"Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the government for a redress of grievances."

The Counties of New California bring forward 95 Grievances to be announced in public on Tuesday at 11:00 am.

Grievance 82

Declaration of Grievance Statement of Facts

The people of California are suffering from a tyrannical state government which fails to provide a republican form of governance, enables and supports across its southern border the invasion of the United States of America by illegal foreign nationals and protects vicious criminals who commit outrageous acts of violence upon the Citizens of America all caused by a government of and for a mono-party system lead by a tyrannical dictator who openly defies federal law.

California State Government is in Direct Violation of the Following:

2nd Amendment to the United States Constitution

A well regulated Militia, being necessary to the security of a free State, the right of the people to keep and bear Arms, shall not be infringed.

United States Constitution Article IV Section 4

"The United States shall guarantee to every state in this union a republican form of government, and shall protect each of them against invasion; and on application of the legislature, or of the executive (when the legislature cannot be convened) against domestic violence."

United States Constitution Article VI

This Constitution, and the Laws of the United States which shall be made in Pursuance thereof; and all Treaties made, or which shall be made, under the Authority of the United States, shall be the supreme Law of the Land; and the Judges in every State shall be bound thereby, any Thing in the Constitution or Laws of any State to the Contrary notwithstanding.

ORDER OF THE DAY

PROPGANDA IN CALIFORNIA

California's mono-party political machine, its socialist Governor, along with communist state legislators, socialist elected officials, agencies, and unelected regional governance boards, are colluding to create a Communist California state in direct violation of both Article IV, Section 4, Article VI and the 2nd Amendment of the United States Constitution.

Paul Joseph Goebbels was a German Nazi (National Socialist) politician and Reich Minister of Propaganda of Nazi Germany from 1933 to 1945. He was one of Adolf Hitler's closest and most devoted associates, and was known for his skills in public speaking and his deeply virulent anti-semitism, which was evident in his publicly voiced views. He advocated progressively harsher discrimination, including the extermination of the Jews in the Holocaust.

Goebbels was appointed district leader for Berlin in 1926, where he began to take an interest in the use of propaganda to promote the party and its programme. After the Nazi's seizure of power in 1933, Goebbels' Propaganda Ministry quickly gained and exerted control over the news media, arts, and information in Germany. He was particularly adept at using the relatively new media of radio and film for propaganda purposes. Topics for party propaganda included anti-semitism, attacks on the Christian churches, and (after the start of the Second World War) attempting to shape morale. The Hitler government was a National **Socialist**, mono party led by a dictator who controlled the "main stream media" with its socialist tactics.

In California where there is a mono party system of government led by communist legislators and a socialist governor that use the Goebbels-Hitlarian style propaganda as a tool utilized against United States Citizens living in California in direct collusion with a network of non profit, non government organizations and a complicit media.

Recently there was a shooting in which a California Highway Patrolman lost his life and several other officers were wounded. The Riverside Police Chief described it as "long and horrific gun battle."

The suspect who was a convicted felon was illegally in possession of a long gun feared a return to state penitentiary. The offender did not pass a back ground check or comply with any of the hundreds of constitutionally questionable anti gun laws that burden United States Citizens living in California.

The socialist California governor commenting about the incident produced a statement right out of the Goebbels-Hitlarian playbook by stating; *“Our hearts ache over the tragic lossour deepest condolences to his (the officers) family, friends, and fellow officers who are grieving tonight”*.

The reality check for the California communist state legislature and the socialist governor is that the level of ever increasing violence in the state is of their own design. They legislate new laws that make legal gun owners into felons, force oppressive regulations and change the California constitution to encourage lawlessness while pandering to criminal cartels. **Paul Joseph Goebbels** would be proud of the California mono party system and its socialist governor.

Insurrection

The government of California, the current socialist governor and mono-party system along with local officials are following a coordinated design with the intent to actively engage in **acts of insurrection** against the U.S. Constitution.

The **Insurrection Act of 1807** is a United States federal law that governs the ability of the President of the United States to deploy military troops within the United States to put down lawlessness insurrection, and rebellion.

Acts of Secession

Therefore the California government in conjunction with the socialist state executive, instituted wherever the current socialist governor has usurped power has created a reign of terror on United States Citizens living in California with the intent to **secede** from the United States of America and thus destroy the very **Union of States** which secures our **Liberty and Freedom**.

Abdication of Authority

Betrayal by the sitting socialist governor of California the mono-party legislature and local elected officials is evidence of **abdication** of their **responsibilities** of **authority** and **sovereignty** over the State and Citizens of the United States living in California.

Prayer

The Citizens of New California State Pray for the President to exercise his authority under the Insurrection Act of 1807 to end the tyranny being foisted upon the United States Citizens living in California State.

This concludes these proceedings.
