

**CALIFORNIA REPUBLIC**

**REORGANIZED**

Reorganized State of California Ordinance 24-02

**THE STATE OF CALIFORNIA SECESSION FROM THE UNITED STATES OF AMERICA**

**AUTHORS**

Terry McBride, Calaveras County  
Liz Ritchie, Contra Costa County  
Josh Disney, San Benito County

The most assured aspect of our Constitution is the guarantee that all three elements of Article IV, Section 4 will be adhered to by all **Compact** members of the Union of States. Like a three legged stool, to remove one leg, the stool itself becomes destabilized and ultimately useless. Likewise, if one state fails to provide any one of the three guarantees then the Union of States becomes less stable.

Nothing is more glaring to the American Citizens that Gavin Newsom has complete contempt for the rule of Constitutional Law than to witness the open violations of Article IV, Section 4 and its three guarantees: a republican form of government, keeping all Americans free from invasion and that of domestic violence. It is clear Newsom is committing treason.

An unconstitutional administrative state now exists in California, in direct violation of the September 9, 1850, Compact with the United States of America. The state of California no longer functions as a republican form of government, no longer provides freedom from invasion and domestic violence.

**WHEREAS**, California's "republican form" of government vanishes when corrupt election systems destroy our God given rights to self-govern. Likewise, it is with "invasion" when the citizens have no authority to control who enters the country, invaders take over our land. Then "domestic violence" follows and becomes the new law of the land; and

**WHEREAS**, it is evident over the last 3 years since the most corrupt Presidential Election in American history of November 3, 2020 that there has been a coordinated design for the destruction of the United States; and

**WHEREAS**, Governor Gavin Newsom is spearheading the effort to trample on and destroy the God given rights of the people protected by the United States Constitution; and

**WHEREAS**, in California, the Newsom Democracy government has devolved into a dictatorship operating as a tyranny to the people and thus broken the Compact of Statehood and seceded from the United States of America.

**WHEREAS**, the true purpose of all government is to promote the welfare and provide for the protection and security of the governed, and when any form or organization of government proves inadequate for, or subversive of this purpose, "it is the RIGHT, it is the DUTY of the PEOPLE to alter or abolish it and establish for itself a new guard;" and

**WHEREAS**, the Constitution's first three words—*We the People*—affirm that the government of the United States exists by the consent of the people to serve its citizens. The government of California, the current socialist governor and mono-party system along with local officials are following a coordinated design with the intent to actively engage in *acts of insurrection* against the United States Constitution and the Compact for Statehood entered into September 9, 1850.

**WHEREAS**, an unconstitutional administrative state now exists in California, in direct violation of the September 9, 1850, Compact with the United States of America. The state of California no longer functions as a republican form of government, no longer provides freedom from invasion and domestic violence.

**BE IT RESOLVED**, the State of California is not the property, not the administrative state, not the province of any theocratic ruler, nor any monarch, nor foreign entity or government but is a *State* in the United States of America.

**BE IT FURTHER RESOLVED**, the Reorganized State of California shall honor the Statehood Compact of 1850, the Constitution of the United States of America as the supreme law of the land and shall honor Articles IV, V and VI that embody the concepts of federalism, describe the rights and responsibilities of state governments and the states in relationship to the federal government.

**THEREFORE, BE IT RESOLVED**, a reorganized, restorative government of California, consistent with the *Compact* of 1850, with the Congress of the United States, has been established, which is republican in form of government with an executive branch, judicial branch and a bi-cameral legislative branch.
