Statement of Intent

The Citizens of New California have decided to remedy the abuse of power by the government of California by exercising their right to form a new state provided in United States Constitution Article IV Sections 3 and Section 4.

“We are determined to live under a State Government in the United States of America and under the Constitution of the United States.”

New California Declaration of Independence of January 15, 2018 states:

“Whenever any Form of Government becomes destructive it is the Right of the People to alter or to abolish it, and to institute new Government.

*When a long train of abuses and acts to seize and hold the people’s power without legal authority and pursuing invariably the same Object that clearly demonstrates a design to reduce them under absolute Despotism, it is their **Right, it is their Duty**, to throw off such Government, and to provide new Guards for their future security.*

*The history of the present Governor and Government of California is a history of repeated injuries and usurpations, all having in direct object the establishment of a **Tyranny** over the Counties of New California and the State of California.*

Preamble of the New California State Constitution states:

*We, the representatives of the undersigned Counties within the State of California, **do acknowledge and humbly invoke the favor of Almighty God for continued civil and religious liberty to ourselves and our posterity....***

First Amendment of the United States Constitution states:

“Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the government for a redress of grievances.”

Fourth Amendment of the United States Constitution states:

The right of the people to be secure in their persons, houses, papers, and effects, against unreasonable searches and seizures, shall not be violated, and no warrants shall issue, but upon probable cause, supported by oath or affirmation, and particularly describing the place to be searched, and the persons or things to be seized.

STATE OF NEW CALIFORNIA DECLARATION OF TRUTH VOTER FRAUD

The people of California are suffering from a tyrannical state government which fails to provide a republican form of governance, enables and supports across its southern border the invasion of the United States of America by illegal foreign nationals and protects vicious criminals who commit outrageous acts of violence upon the Citizens of America all caused by a government of and for a mono-party system lead by a tyrannical pusillanimous dictator who openly defies federal law.

CALIFORNIA STATE VIOLATES:

United States Constitution Article IV Section 4

"The United States shall guarantee to every state in this union a republican form of government, and shall protect each of them against invasion; and on application of the legislature, or of the executive (when the legislature cannot be convened) against domestic violence."

United States Constitution Article VI

This Constitution, and the Laws of the United States which shall be made in Pursuance thereof; and all Treaties made, or which shall be made, under the Authority of the United States, shall be the supreme Law of the Land; and the Judges in every State shall be bound thereby, any Thing in the Constitution or Laws of any State to the Contrary notwithstanding.

First Amendment, United States Constitution

"Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the government for a redress of grievances."

Fourteenth Amendment, United States Constitution

***Section 3.** No Person shall be a Senator or Representative in Congress, or elector of President and Vice-President, or hold any office, civil or military, under the United States, or under any State, who, having previously taken an oath, as a member of Congress, or as an officer of the United States, or as a member of any State legislature, or as an executive or judicial officer of any State, to support the Constitution of the United States, shall have engaged in insurrection or rebellion against the same, or given aid or comfort to the enemies thereof. But Congress may by a vote of two-thirds of each House, remove such disability.*

DECLARATION OF VOTER FRAUD

Violation of First Amendment, United States Constitution

"Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the government for a redress of grievances."

From New California State Grievance 28, Chapter 2, November 3, 2020

VOTER FRAUD

We, the People, of the Unified Counties of New California seek the removal of the California state GOVERNOR. We are determined to stop the "one man rule" of a pusillanimous craven dictator whose words and actions are a grave danger to all U.S. Citizens living in California.

On October 21, 2020 the governor was taken to court to end the tyranny being foisted upon the Citizens of the United States living in California state. A decision was rendered by the court on November 2, 2020 just hours before the 2020 Presidential election even though the judge indicated there would be one in a "couple of days".

"Our trial against Governor Newsom has just concluded, and the Judge said she will issue a ruling 'in very short order,'" "That probably means by the end of the week." Assembly Member Kevin Kiley wrote after the October 21, 2020 hearing. With no decision by the court on October 23, 2020 there was another "delay" which translates into "the tyranny of one-man rule continued. Given the behavior of the judge during the trial this should not be a surprise. To most who witnessed the judge during trial she appeared to act more like a stooge rather than a judge who had an understanding of what was constitutional and what was not. So after nine months of dictatorial rule there was an additional delay provided by the Sutter County Superior Court judge which enables voter fraud by allowing the implementation of executive order N-64-20 past the 2020 Presidential Election on November 3, 2020.

Delay for the governor is good but pure evil to the U.S. Constitution. The governor who has remained in "power" by way of the "Emergency Services Act" is still able to continue the "distraction" away from California's real problem "**insolvency**" an issue that will destroy California. But the delay also means what Newsom wanted all along; to influence the 2020 Presidential Election against President Trump. From the Cal Globe: California Assemblymen Kevin Kiley and James Gallagher sued to stop California Governor Gavin Newsom's "one man rule," as California Globe has reported over several months. They were in Sutter County Superior Court October 21st, arguing that Gov. Gavin Newsom has exceeded his emergency powers in issuing Executive Orders having nothing to do with the coronavirus pandemic crisis.

Monday, November 2, 2020 State Superior Court Judge Sarah Heckman tentatively ruled in favor of Gallagher (R-Yuba City) and Kiley (R-Rocklin) in their abuse of power lawsuit against Governor Newsom. In the tentative ruling, Judge Heckman declared the Governor's recent Executive Order N-67-20 unconstitutional. More importantly, Judge Heckman's tentative ruling places a permanent injunction against the Governor which prevents him from unilaterally making or changing state law moving forward". Assemblyman Kiley wrote: The Judge ruled Newsom violated the Constitution. She also issued an injunction restraining the Governor from issuing any more unconstitutional orders. Yet the Court's November 2, 2020 decision does not impact any of the election protocols for the November 3, 2020 election.

From Executive Order N-64-20: ***"WHEREAS on May 8, 2020, I issued Executive Order N-64-20, which provides that Californians registered to vote in the November 3, 2020 General Election shall receive vote-by-mail ballots"***; What this 12 day "delayed" ruling allows is the mail in ballot scheme of Executive Order N-64-20 can now work in "harmony" with vote harvesting. Known in other states as "ballot stuffing" it was illegal in California until the mono-party legislature made 'vote harvesting' legal just in time for the 2018 elections.

So the corrupt California judicial system does its magic one more time and enables by its own ruling an unconstitutional executive order to knowingly influence the outcome of the 2020 Presidential election through voter fraud. Working in harmony with ballot harvesting vote by mail provides a massive wall of voter fraud that is set to derail the 2020 Presidential Elections in California".

Now in October of 2022

SACRAMENTO (CBS SF) Reports– "In reaction to debate over the results of the 2020 Presidential Election, Gov. Gavin Newsom signed a bill Tuesday that ensures the state's presidential electors cast ballots for candidates who win the popular vote.

Senate Bill 103 removes the possibility of candidates manipulating the electoral college by requiring California's 55 electors to vote for the president as shown by the majority of voters in the state. If the elector cast their ballot for a candidate who did not win the state's popular vote, they would be immediately replaced by a new elector who would cast a ballot for the winning candidate.

The bill came in response to the actions by supporters of former President Donald Trump following his loss in the 2020 Presidential Election. In states such as Arizona, Georgia and Pennsylvania, there were movements by Trump supporters to push electors to ignore their state's votes for president and just elect him.

"Free and fair elections are the very foundation of our democracy -- and the will of the voters must be respected," (California Secretary of State who oversaw the November 2020 election) U.S. Sen. Alex Padilla said. ***"No one should be able to subvert the outcome of our elections. As California's former top elections official, I know the importance of clear laws and rules to protect the democratic process. That's why I support this legislation as an important safeguard on presidential elections in California."***

Shasta County holds voter information panel to head off new wave of election fraud claims

October 2, 2022 UPDATED 3:00 PM OCTOBER 2, 2022

“First they steal the elections then they steal your children”.

“Joining Darling Allen for the webinar will be Placer County Registrar of Voters Ryan Ronco, who is board president of the California Association of Clerks and Elected Officials. Also participating will be Justin Grimmer, a political science professor at Stanford University who has discredited Frank’s analysis of election fraud. Grimmer also is a senior fellow at the Hoover Institution”.

For the Record:

Cathy Darling Allen the registrar of voters for Shasta County was served over 100 Declarations/Affidavits (Criminal Complaints) by the Citizens of Shasta County following the November 3, 2020 elections alleging she violated her Oath of office and numerous election code sections related to her involvement in the election.

Ryan Ronco, Placer County Registrar of Voters still denies his voting machines in Placer County are not connected, nor do they have the capability to be connected to the internet. Even the Secretary of State Shirley Weber now admits what Dr. Frank and most have known for years that the machines are not only connected to the internet and have that ability by way of portals, but they are also all equipped with modems for wifi connectivity to the net.

Perhaps *Darling* and *Ronco* should have used this opportunity to set the record straight however they failed to convince anyone the November 3, 2020 election and their involvement in it were legal and just”.

Today California is in a state of free fall at all levels. This free fall has been orchestrated over the last 170 years by socialist and communist and we’re now nearing the end of their socialist/communist plan that clearly demonstrates a design to reduce United States Citizens living in California under absolute Despotism. Today this plan has eliminated the three branches of government, created a mono-party legislature which has enabled and empowered the rise of a **pusillanimous** Governor turned dictator.

Governors and Officials of the State of California have exhibited Evidence of Tyranny and Treason against the Citizens, Counties, Towns and Cities of the State of California.

ACTS OF INSURRECTION

The government of California, the current socialist governor/dictator and mono-party system along with local officials are following a coordinated design with the intent to actively engage in “Acts of Insurrection” against the U.S. Constitution.

ACTS OF SECESSION

The California government in conjunction with the socialist state executive, instituted wherever the current socialist governor/dictator has usurped power has actively engaged in “Acts of Secession” and have created a reign of terror on United States Citizens living in California with the intent to **secede** from the United States of America to thus destroy the very **Union of States** which secures our **Liberty and Freedom**.

ABDICATION OF AUTHORITY

Betrayal by the sitting **pusillanimous** socialist governor/dictator of California the mono-party legislature and local elected officials is evidence of “Abdication of their Responsibilities of Authority and Sovereignty” over the Citizens of the United States living in California State.

This concludes these proceedings.
