OF THE  
STATE OF  
NEW  
CALIFORNIA  
**NOTICE**  
TO ALL  
**CALIFORNIANS!**

8TH  
DECLARATION  
OF  
**TRUTH**

November 1, 2022

## **Statement of Intent**

The Citizens of New California have decided to remedy the abuse of power by the government of California by exercising their right to form a new state provided in United States Constitution Article IV Sections 3 and Section 4.

***“We are determined to live under a State Government in the United States of America and under the Constitution of the United States.”***

### **New California Declaration of Independence of January 15, 2018 states:**

*“Whenever any Form of Government becomes destructive it is the Right of the People to alter or to abolish it, and to institute new Government.*

*When a long train of abuses and acts to seize and hold the people’s power without legal authority and pursuing invariably the same Object that clearly demonstrates a design to reduce them under absolute Despotism, it is their Right, it is their Duty, to throw off such Government, and to provide new Guards for their future security.*

*The history of the present Governor and Government of California is a history of repeated injuries and usurpations, all having in direct object the establishment of a Tyranny over the Counties of New California and the State of California.*

### **Preamble of the New California State Constitution states:**

*We, the representatives of the undersigned Counties within the State of California, do acknowledge and humbly invoke the favor of Almighty God for continued civil and religious liberty to ourselves and our posterity....*

### **First Amendment of the United States Constitution states:**

***“Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the government for a redress of grievances.”***

### **Fourth Amendment of the United States Constitution states:**

***“The right of the people to be secure in their persons, houses, papers, and effects, against unreasonable searches and seizures, shall not be violated, and no warrants shall issue, but upon probable cause, supported by oath or affirmation, and particularly describing the place to be searched, and the persons or things to be seized.”***

## A REPUBLIC

The people of California are suffering from a tyrannical state government which fails to provide a republican form of governance, enables and supports across its southern border the invasion of the United States of America by illegal foreign nationals and protects vicious criminals who commit outrageous acts of violence upon the Citizens of America all caused by a government of and for a mono-party system lead by a tyrannical pusillanimous dictator who openly defies federal law.

### CALIFORNIA STATE VIOLATES: United States Constitution Article IV Section 4

*"The United States shall guarantee to every state in this union a republican form of government, and shall protect each of them against invasion; and on application of the legislature, or of the executive (when the legislature cannot be convened) against domestic violence."*

### United States Constitution Article VI

*This Constitution, and the Laws of the United States which shall be made in Pursuance thereof; and all Treaties made, or which shall be made, under the Authority of the United States, shall be the supreme Law of the Land; and the Judges in every State shall be bound thereby, any Thing in the Constitution or Laws of any State to the Contrary notwithstanding.*

### First Amendment, United States Constitution

*"Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the government for a redress of grievances."*

### Fourteenth Amendment, United States Constitution

*Section 3. No Person shall be a Senator or Representative in Congress, or elector of President and Vice-President, or hold any office, civil or military, under the United States, or under any State, who, having previously taken an oath, as a member of Congress, or as an officer of the United States, or as a member of any State legislature, or as an executive or judicial officer of any State, to support the Constitution of the United States, shall have engaged in insurrection or rebellion against the same, or given aid or comfort to the enemies thereof. But Congress may by a vote of two-thirds of each House, remove such disability.*

# A REPUBLIC

The State of California is in constitutional default and does not have constitutional standing as a member state in the union of states called the United States of America. We the People as citizens of the United States living in California are following the process of West Virginia, which successfully restored the Virginia state government after the Wheeling Conventions of 1861. Congress admitted California into the Compact of Statehood within the United States of America in 1850 because their 1849 Constitution, ratified for consideration, guaranteed a **republican** form of government.

## **United States Constitution Article IV, Section 4. Protection of States Guaranteed Republican Form of Government**

*"The United States shall guarantee to every state in this union a republican form of government...."*

**The Founding Fathers (Framers) made it clear a republican form of government was the only government for the United States**

*"When the representative body have lost the confidence of their constituents, when they have notoriously made sale of their most valuable rights, when they have assumed to themselves powers which the people never put into their hands, then indeed their continuing in office becomes dangerous to the state" ~ Thomas Jefferson*

*"Remember, democracy never lasts long. It soon wastes, exhausts, and murders itself. There never was a democracy yet that did not commit suicide." ~ John Adams*

*"Democracies have been found incompatible with personal security or the rights of property; and in general been as short in their lives as they have been violent in their death." ~ James Madison*

*"If everyone is thinking alike, then no one is thinking." ~ Benjamin Franklin*

*"The issue today is the same as it has been throughout all history, whether man shall be allowed to govern himself or be ruled by a small elite." ~ Thomas Jefferson*

*"To compel a man to furnish funds for the propagation of ideas he disbelieves and abhors is sinful and tyrannical." ~ Thomas Jefferson*

*"A wise and frugal Government, which shall restrain men from injuring one another, which shall leave them otherwise free to regulate their own pursuits of industry and improvement, and shall not take from the mouth of labor the bread it has earned. This is the sum of good government, and this is necessary to close the circle of our felicities." ~ Thomas Jefferson*

*"Democracy means simply the bludgeoning of the people by the people for the people." ~ Oscar Wilde*

*"They who can give up essential liberty to obtain a little temporary safety deserve neither liberty nor safety." ~ Benjamin Franklin*

*"It has been observed that a pure democracy if it were practicable would be the most perfect government. Experience has proved that no position is more false than this. The ancient democracies in which the people themselves deliberated never possessed one good feature of government. Their very character was tyranny; their figure deformity." ~ Alexander Hamilton*

*"The experience of all former ages had shown that of all human governments, democracy was the most unstable, fluctuating and short-lived." ~ John Quincy Adams*

*"If ever a time should come, when vain and aspiring men shall possess the highest seats in Government, our country will stand in need of its experienced patriots to prevent its ruin." ~ Samuel Adams*

*"Between a balanced republic and a democracy, the difference is like that between order and chaos." ~ John Marshall*

### **The California Constitutional Convention of 1878-79**

*"In 1877 and 1878 California was suffering from 'shard times". This was aggravated by the collapse in mining stocks, which from a value of three hundred million dollars in 1875 had fallen to thirty million dollars in 1878. The hard times "prepared the public mind to accept any change which promised the recovery of the state from the depression into which business had been thrown."*

In 1879 many who were “socialistic and communistic in their ideas” assembled in Sacramento and wrote a new constitution to replace the original 1849 Constitution that had been approved by congress for statehood that was “republican” in form of government.

Below is from the 2017-18 California Legislature’s Manual on the.....

### **“CONSTITUTION OF THE STATE OF CALIFORNIA, 1879 As Last Amended November 8, 2016”**

*“FOREWORD The California Legislature is privileged to present this compilation of historic documents. Taken together, these compacts, treaties, and charters embody the ongoing evolution of our core principles of representative democracy. It is important to note that our state Constitution is a living document. It has been amended over 500 times since its adoption in 1879. Some recent amendments have included a change to California’s Term Limits law through the passage of Proposition 28 (2012), the California Legislature Transparency Act enacted by Proposition 54 (2016) enhances public access to the legislative process, and with the adoption of Proposition 25 (2010), the vote threshold to pass the state budget is now a majority vote. One hundred and sixty-eight years since its inception, the Golden State continues to be a leader throughout the nation and the world. Innovative public policy is often crafted, analyzed, and debated by the Legislature with the collective input of the electorate.*

*This sense of progress and purpose can also be found in the documents featured in this publication, as our nation and state continue to strive for a more perfect union. **The framers of our Constitution envisioned a democracy** that protected fundamental “freedoms” and “rights.” Over time, these freedoms and rights have evolved to embrace a more diverse and inclusive society. Our state Constitution provides such a framework. It is in that spirit of freedom the California Legislature presents these important documents, which shape our collective philosophy and the vision for a government of the people. DANIEL ALVAREZ Secretary of the Senate E. DOTSON WILSON Chief Clerk of the Assembly March 2017.”*

California has been operating as a democracy since 1879 and this democracy has become a totalitarian dictatorship lacking in all aspects of a republic as demanded by the 1787 United States Constitution. Congress admitted California into the Compact of Statehood within the United States of America in 1850 because their 1849 Constitution, ratified for consideration, guaranteed a **republican** form of government. By their own admission now gone is that guarantee of a republican form of government by the State of California.

As the “**Framers**” Adams and Madison stated:

*“Remember, democracy never lasts long. It soon wastes, exhausts, and murders itself. There never was a democracy yet that did not commit suicide.” ~ John Adams*

*“Democracies have been found incompatible with personal security or the rights of property; and in general been as short in their lives as they have been violent in their death.” ~ James Madison*

“We, the citizens of the State of New California, and the sovereign Counties that lie within, united by our United States Constitution declare that this newly formed and sovereign State and “this nation, under God, shall have a new birth of freedom—and that government of the people, by the people, for the people, shall not perish from the earth.”

The evidence is now clear that patterns and acts of **DISLOYALTY** are on full display daily against **We the People of California and We the People of the United States**. Not only on the federal level but on the state and local level as well from City Council, County Board of Supervisors, School Boards which have become hot beds of open seditious disloyalty against all of their constituents and the Constitution of the United States.

### **For those who don’t understand the United States Constitution the “Government” is “We the People”.**

In New California State, we echo the thoughts, convictions, principles, and ideals of the Founders of the United States of America. **We the People** will retain our humanity, our natural and unalienable rights, and our autonomy, free from the shackles of slavery to *any form of government*.

**The overt nature of their totalitarian lust for control of every aspect  
of the lives of “We the People” is now openly on display.**

## ACTS OF INSURRECTION

The government of California, the current socialist governor/dictator and mono-party system along with local officials are following a coordinated design with the intent to actively engage in "Acts of Insurrection" against the U.S. Constitution.

## ACTS OF SECESSION

The California government in conjunction with the socialist state executive, instituted wherever the current socialist governor/dictator has usurped power has actively engaged in "Acts of Secession" and have created a reign of terror on United States Citizens living in California with the intent to **secede** from the United States of America to thus destroy the very **Union of States** which secures our **Liberty and Freedom**.

## ABDICTION OF AUTHORITY

Betrayal by the sitting **pusillanimous** socialist governor/dictator of California the mono-party legislature and local elected officials is evidence of "Abdication of their Responsibilities of Authority and Sovereignty" over the Citizens of the United States living in California State.

**This concludes these proceedings.**

New California State is a new state in development forming from the State of California. New California State is exercising its God Given Rights as declared in the 1776 United States Declaration of Independence and as ratified in the 1789 United States Constitution under Article IV Section 3. New California is the making of a new state just like 50 other states have been formed to make Union of States.
