Statement of Intent

The Citizens of New California have decided to remedy the abuse of power by the government of California by exercising their right to form a new state provided in United States Constitution Article IV Sections 3 and Section 4.

“We are determined to live under a State Government in the United States of America and under the Constitution of the United States.”

New California Declaration of Independence January 15, 2018 states:

“Whenever any Form of Government becomes destructive it is the Right of the People to alter or to abolish it, and to institute new Government.

*When a long train of abuses and acts to seize and hold the people’s power without legal authority and pursuing invariably the same Object that clearly demonstrates a design to reduce them under absolute Despotism, it is their **Right**, it is their **Duty**, to throw off such Government, and to provide new Guards for their future security.*

*The history of the present Governor and Government of California is a history of repeated injuries and usurpations, all having in direct object the establishment of a **Tyranny** over the Counties of New California and the State of California.*

Preamble of the New California State Constitution states:

*We, the representatives of the undersigned Counties within the State of California, **do acknowledge and humbly invoke the favor of Almighty God for continued civil and religious liberty to ourselves and our posterity....***

First Amendment of the United States Constitution states:

“Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the government for a redress of grievances.”

Fourth Amendment of the United States Constitution states:

The right of the people to be secure in their persons, houses, papers, and effects, against unreasonable searches and seizures, shall not be violated, and no warrants shall issue, but upon probable cause, supported by oath or affirmation, and particularly describing the place to be searched, and the persons or things to be seized.

STATE OF CALIFORNIA IS IN CONSTITUTIONAL DEFAULT

The people of California are suffering from a tyrannical state government which fails to provide a republican form of governance, enables and supports across its southern border the invasion of the United States of America by illegal foreign nationals and protects vicious criminals who commit outrageous acts of violence upon the Citizens of America all caused by a government of and for a mono-party system lead by a tyrannical pusillanimous dictator who openly defies federal law.

CALIFORNIA STATE VIOLATES:

United States Constitution Article IV Section 4

"The United States shall guarantee to every state in this union a republican form of government, and shall protect each of them against invasion; and on application of the legislature, or of the executive (when the legislature cannot be convened) against domestic violence."

United States Constitution Article VI

This Constitution, and the Laws of the United States which shall be made in Pursuance thereof; and all Treaties made, or which shall be made, under the Authority of the United States, shall be the supreme Law of the Land; and the Judges in every State shall be bound thereby, any Thing in the Constitution or Laws of any State to the Contrary notwithstanding.

First Amendment, United States Constitution

"Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the government for a redress of grievances."

Fourteenth Amendment, United States Constitution

Section 3. No Person shall be a Senator or Representative in Congress, or elector of President and Vice-President, or hold any office, civil or military, under the United States, or under any State, who, having previously taken an oath, as a member of Congress, or as an officer of the United States, or as a member of any State legislature, or as an executive or judicial officer of any State, to support the Constitution of the United States, shall have engaged in insurrection or rebellion against the same, or given aid or comfort to the enemies thereof. But Congress may by a vote of two-thirds of each House, remove such disability.

DECLARATION CONSTITUTIONAL DEFAULT

The State of California is in constitutional default and does not have constitutional standing as a member state in the union of states called the United States of America. *We the People* as citizens of the United States living in California are following the process of West Virginia, that successfully restored the Virginia state government after the Wheeling Conventions of 1861. Congress admitted California into the *Compact* of Statehood within the United States of America in 1850 because their Constitution, ratified for consideration, guaranteed a republican form of government.

Violation of United States Constitution Article IV Section 4, Clause 1

"The United States shall guarantee to every state in this union a republican form of government....."

Today California is in a state of free fall at all levels. This free fall has been orchestrated over the last 170 years by socialist and communist and we're now nearing the end of their socialist/communist plan that clearly demonstrates a design to reduce United States Citizens living in California under absolute Despotism. Today this plan has eliminated the three branches of government, created a mono-party legislature which has enabled and empowered the rise of a **pusillanimous** Governor turned dictator.

A pusillanimous Governor, whose character is thus marked by every act which may define a tyrant, is unfit to be the elected Governor of a free people. Likewise, *Elected, Appointed and Regional Officials* of the State of California whose character is thus marked by every act which may define a tyrant, are unfit to be the Elected, Appointed and Regional Officials of a free people.

California elections have been corrupt for decades. The State of California government officials have established secret election schemes within counties and school districts with the intent to embrace the plans of an authoritarian form of government. Their aim is to eliminate the State of California citizens' republican form of government.

An unconstitutional administrative state now exists in California in direct violation of the September 9, 1850 *Compact* with the United States of America.

Violation of United States Constitution Article IV Section 4, Clause 2 *"and shall protect each of them against invasion;"*

The State of California has failed to prevent the massive invasion of illegal foreign nationals which is in direct violation of the Constitution of the United States Article IV Section 4, that guarantees protection from invasion. To be sure state and local government officials are actively engaged in the trafficking of human flesh and slavery with vicious criminal cartels who are trafficking hundreds of thousands of illegal foreign nationals across the boarder reaping billions of dollars each year. This is openly promoted by state government officials and members of the state legislature who approve legislation encouraging what is now a multibillion dollar *slave* industry.

The on-the-ground violence and lawlessness all along the southern border of the United States caused by cartels and gangs is extensive, well documented, and persistent. It satisfies the definition of "actually invaded" and "invasion" under the Constitution of the United States

Violation of United States Constitution Article IV Section 4, Clause 3

"and on application of the legislature, or of the executive (when the legislature cannot be convened) against domestic violence."

The State of California has failed to prevent the harm and domestic violence increased by the above stated invasion, which is in direct violation of the Constitution of the United States Article IV Section 4, that guarantees protection from domestic violence. Yet the legislature passes laws that openly permit and encourage acts of violence and lawlessness. The **pusillanimous** Governor opens the prisons releasing vicious criminals out onto the streets who murder and rape and steal.

ACTS OF INSURRECTION

The government of California, the current socialist governor/dictator and mono-party system along with local officials are following a coordinated design with the intent to actively engage in "*Acts of Insurrection*" against the U.S. Constitution.

ACTS OF SECESSION

The California government in conjunction with the socialist state executive, instituted wherever the current socialist governor/dictator has usurped power has actively engaged in "*Acts of Secession*" and have created a reign of terror on United States Citizens living in California with the intent to **secede** from the United States of America to thus destroy the very **Union of States** which secures our **Liberty and Freedom**.

ABDICATION OF AUTHORITY

Betrayal by the sitting **pusillanimous** socialist governor/dictator of California the mono-party legislature and local elected officials is evidence of “*Abdication of their Responsibilities of Authority and Sovereignty*” over the Citizens of the United States living in California State.

ACTIONS

A restored government of California consistent with the **Compact** of 1850 with the Congress will be established and will consist of a republican form of government with an executive branch, judicial branch and a bi-cameral legislative branch.
