Dear Governor Abbott,

The following statement from New California State comes as the Biden Administration continues to attack Texas and refuses to take action or responsibility for the crisis at the Southern border.

"President Biden and his Administration have left Americans and our country completely vulnerable to unprecedented illegal immigration pouring across the Southern border. Instead of upholding the rule of law and securing the border, the Biden Administration has attacked and sued Texas for stepping up to protect American citizens from historic levels of illegal immigrants, deadly drugs like fentanyl, and terrorists entering our country."

*"New California State stands in solidarity with Governor, Greg Abbott, and the Citizens of Texas in utilizing every tool and strategy, including razor wire fences, to secure the border."*

"New California State's support comes in part because the Biden Administration is refusing to enforce immigration laws already on the books and is illegally allowing mass parole across America of migrants who entered our country illegally.

The authors of the U.S. Constitution made clear that in times like this, states have a right of self-defense, under Article 4, Section 4 and Article 1, Section 10, Clause 3 of the U.S. Constitution. Because the Biden Administration has abdicated its constitutional compact duties to the states, Texas has every legal justification to protect the sovereignty of our states and our nation."

## ACTS OF INSURRECTION

The United States government, the Biden Executive Administration and mono-party system, along with state and local officials, are following a coordinated design with the intent to actively engage in "Acts of Insurrection" against the United States Constitution and its Citizens.

## ACTS OF SECESSION

The United States government, in conjunction with the Biden Executive Administration, has usurped power, has actively engaged in "Acts of Secession" and has created a reign of terror on United States Citizens living in the United States of America, with the intent to **secede** from the United States of America to thus destroy the very **Union of States** which secures our **Liberty and Freedom**.

Best Regards,
