New California Declaration of Independence

January 15, 2018, states:

“Whenever any Form of Government becomes destructive, it is the Right of the People to alter or to abolish it, and to institute new Government...”

*“...when a long train of abuses and acts to seize and hold the people’s power without legal authority and pursuing invariably the same Object that clearly demonstrates a design to reduce them under absolute Despotism, it is their **RIGHT**, it is their **DUTY**, to throw off such Government, and to provide new Guards for their future security.*

*“The history of the present Governor and Government of California is a history of repeated injuries and usurpations, all having in direct object the establishment of a **Tyranny** over the Counties of New California and the State of California.”*

Preamble of the New California State Constitution states:

*“We, the representatives of the undersigned Counties within the State of California, **do acknowledge and humbly invoke the favor of Almighty God for continued civil and religious liberty to ourselves and our posterity....**”*

Fourth Amendment of the United States Constitution states:

“The right of the people to be secure in their persons, houses, papers, and effects, against unreasonable searches and seizures, shall not be violated, and no Warrants shall issue, but upon probable cause, supported by Oath or affirmation, and particularly describing the place to be searched, and the persons or things to be seized.”

CONSTITUTIONAL DEFAULT NEWSOM INDICTMENTS

The people of California are suffering from a tyrannical state government which fails to provide a republican form of governance, enables and supports across its southern border the invasion of the United States of America by illegal foreign nationals and protects vicious criminals who commit outrageous acts of violence upon the Citizens of America, all caused by a government of and for a mono-party system lead by a tyrannical, pusillanimous dictator who openly defies federal law.

CALIFORNIA STATE VIOLATES:

But Congress may by a vote of two-thirds of each House, remove such disability.

NEWSOM INDICTMENTS TREASON COUNT 11

UNITED STATES SUPREME COURT

THE UNITED STATES SUPREME COURT ruled that one need not pick up arms in order to "levy war" in *US v Burr* (1807) 4 Cranch (8 US) 469, 2 L.Ed. 684. Treason is attacking or betraying a governmental authority to which one owes allegiance.

COUNT 11

INSURRECTION

The governments of the United States and California, the current socialist president of the United States governor/dictator and mono-party system, along with local officials, are following a coordinated design with the intent to actively engage in “Acts of Insurrection” against the United States Constitution. This is Treason.

It has become evident over the last 3 years following the most corrupt Presidential Election in American history of 2020 that the coordinated design for the destruction of the United States has come from Joe Biden and Gavin Newsom who both have spearheaded the effort to trample on and destroy the United States Constitution.

Illegal Acts and Tactics

Utilizing *Marxist-Leninist* and *Maoist revolutionary tactics* the communist California governor, mono party system and local government officials support and celebrate these tactics as a means to introduce and subvert all aspects of California government and civil society in an attempt to destroy the State of California and breakdown the sovereignty of the Union of States of America. The governor leads the overthrow of the California state through his seditious conspiracies, treason, rebellion, insurrection, fraud, misappropriation of funds, fraudulent elections, promoting open borders, sanctuary state and rampant crime by adding and abetting open criminal acts upon American Citizens.

Nothing is more glaring to the American Citizens that both Joe Biden and Gavin Newsom have complete contempt for the rule of Constitutional Law than to witness the duality with which they are both openly violating Article IV, Section 4 and its three guarantees of a *republican form of government, keeping all Americans free from invasion and that of domestic violence is committing treason.*

SECESSION

The California communist government in conjunction with the communist state executive, instituted wherever the current communist governor has usurped power has created a reign of terror on United States Citizens living in California with the intent to **secede** from the United States of America and thus destroy the very **Union of States** which secures our **Liberty and Freedom**. *“Gavin Newsom has crystallized his vision of what California will look like in the Trump era: It won’t just be the hub of the resistance against the president; it will be its own nation-state”. “To counter what Newsom characterized as a “so-called emergency” at the nation’s southern border, he said [Monday that California will remove its National Guard troops](#) stationed there and redeploy them to take care of state issues like wildfire protection and the eradication of illegal cannabis farms. San Francisco Chronical.*

To make matters worse for California's \$300 billion debt Newsom has been courting world leaders in violation to the U.S. Constitution including the Chinese Communist Party leader Xi Jinping for a financial bail out created after 6 years as governor. Further governor Newsom oversaw the secretary for the California Labor and Workforce Development Agency(EDD) Julie Su as *his* secretary. Su, with full knowledge of Gavin Newsom sitting as governor "managed" to launder over \$850 billion to the Communist Chinese Government over a 15 month period during the CoVid crisis. Julie Su became Acting Secretary of Labor on March 11, 2023.

Newsom reaching outside the United States and attempting to get "loans" from such leaders as the CCP's Xi Jinping demonstrates an additional problem that promotes his secessionist urges; there are NO lenders in the United States who will give California the necessary capital remain financially viable because California has failed to file the federally required auditable financial reports for the last 5 years.

ABIDICATION OF AUTHORITY

Betrayal by the sitting communist governor of California the mono party legislature and local elected officials is evidence of **abdication** of their **responsibilities** of **authority** and **sovereignty** over the State and Citizens of the United States living in California. To abdicate is to: relinquish (something, such as sovereign power) formally a throne, high office, dignity, or function.

A lack of **republican form of government** openly promoted by his own actions and by numerous fraudulent elections where the three branches of government have long succumbed to the fraudulent elections and the treasonous bureaucratic state now rule what is known as California's *democracy*.

Let it be known that New California State will be brought into the Union of States as the 51st State with a *republican* form of government.

Gavin Newsom has enabled fraudulent election systems and has once again demonstrated why there is ***no viable government in California*** under his watch.

The Newsom Democracy has Devolved into a Dictatorship and thus Seceded from the People of California.

An unconstitutional ***administrative state*** now exists in California, in direct violation of the September 9, 1850, ***Compact*** with the United States of America. The state of California no longer functions as a ***republican*** form of government, no longer provides freedom from invasion and domestic violence.

ACTS OF INSURRECTION

The government of California, the current socialist governor/dictator and mono-party system, along with local officials, are following a coordinated design with the intent to actively engage in “Acts of Insurrection” against the United States Constitution.

ACTS OF SECESSION

The government of California, in conjunction with the socialist state executive, instituted wherever the current socialist governor/dictator has usurped power, has actively engaged in “Acts of Secession” and has created a reign of terror on United States Citizens living in California, with the intent to **secede** from the United States of America to thus destroy the very **Union of States** which secures our **Liberty and Freedom**.

ABDICATION OF AUTHORITY

Betrayal by the sitting **pusillanimous**, socialist governor/dictator of California, the mono-party legislature and local elected officials is evidence of “Abdication of their Responsibilities of Authority and Sovereignty” over the Citizens of the United States living in California State.

ACTIONS

A reorganized, restorative government of California, consistent with the *Compact of 1850*, with the Congress of the United States, has been established, which is republican in form of government with an executive branch, judicial branch and a bi-cameral legislative branch.

New California State is a new state in development forming from the State of California. New California State is exercising its God-given Rights as declared in the 1776 United States Declaration of Independence and as ratified in the 1789 United States Constitution under Article IV Sections 3 & 4. New California is the making of a new state, just like 50 other states have been formed to make Union of States.

This concludes these proceedings.
