ST. ANDREW'S AMERICAN REVOLUTION

Don Wilson

Author

Constitutional Topic: Article IV, Section 4, Clause 1, Republican Form of Government

No one can understand the Declaration of Independence or the U.S. Constitution without understanding the difference between the words "compact" and "contract." The tradition of compact existed in Scotland long before England ever experimented with and rejected republicanism in the 1640s. The Scottish tradition of compact is what James Madison, Jr. used to frame the Constitution and what Madison's mentor used when he helped Thomas Jefferson write the Declaration. Ever wonder where the right to keep and bear arms, enumerated powers, common defense, and the rights in The Bill of Rights really come from? Any American, historian, or political theorists will benefit from reading *St. Andrew's American Revolution*.
