OF
TRUTH**

October 25, 2022

Statement of Intent

The Citizens of New California have decided to remedy the abuse of power by the government of California by exercising their right to form a new state provided in United States Constitution Article IV Sections 3 and Section 4.

“We are determined to live under a State Government in the United States of America and under the Constitution of the United States.”

New California Declaration of Independence of January 15, 2018 states:

“Whenever any Form of Government becomes destructive it is the Right of the People to alter or to abolish it, and to institute new Government.

*When a long train of abuses and acts to seize and hold the people’s power without legal authority and pursuing invariably the same Object that clearly demonstrates a design to reduce them under absolute Despotism, it is their **Right, it is their Duty**, to throw off such Government, and to provide new Guards for their future security.*

*The history of the present Governor and Government of California is a history of repeated injuries and usurpations, all having in direct object the establishment of a **Tyranny** over the Counties of New California and the State of California.*

Preamble of the New California State Constitution states:

*We, the representatives of the undersigned Counties within the State of California, **do acknowledge and humbly invoke the favor of Almighty God for continued civil and religious liberty to ourselves and our posterity....***

First Amendment of the United States Constitution states:

“Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the government for a redress of grievances.”

Fourth Amendment of the United States Constitution states:

The right of the people to be secure in their persons, houses, papers, and effects, against unreasonable searches and seizures, shall not be violated, and no warrants shall issue, but upon probable cause, supported by oath or affirmation, and particularly describing the place to be searched, and the persons or things to be seized.

STATE OF NEW CALIFORNIA DECLARATION OF TRUTH EMERGENCY ORDINANCE

The people of California are suffering from a tyrannical state government which fails to provide a republican form of governance, enables and supports across its southern border the invasion of the United States of America by illegal foreign nationals and protects vicious criminals who commit outrageous acts of violence upon the Citizens of America all caused by a government of and for a mono-party system lead by a tyrannical pusillanimous dictator who openly defies federal law.

CALIFORNIA STATE VIOLATES:

United States Constitution Article IV Section 4

"The United States shall guarantee to every state in this union a republican form of government, and shall protect each of them against invasion; and on application of the legislature, or of the executive (when the legislature cannot be convened) against domestic violence."

United States Constitution Article VI

This Constitution, and the Laws of the United States which shall be made in Pursuance thereof; and all Treaties made, or which shall be made, under the Authority of the United States, shall be the supreme Law of the Land; and the Judges in every State shall be bound thereby, any Thing in the Constitution or Laws of any State to the Contrary notwithstanding.

First Amendment, United States Constitution

"Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the government for a redress of grievances."

Fourteenth Amendment, United States Constitution

***Section 3.** No Person shall be a Senator or Representative in Congress, or elector of President and Vice-President, or hold any office, civil or military, under the United States, or under any State, who, having previously taken an oath, as a member of Congress, or as an officer of the United States, or as a member of any State legislature, or as an executive or judicial officer of any State, to support the Constitution of the United States, shall have engaged in insurrection or rebellion against the same, or given aid or comfort to the enemies thereof. But Congress may by a vote of two-thirds of each House, remove such disability.*

EMERGENCY ORDINANCE

The evidence is now clear that patterns and acts of **DISLOYALTY** are on full display daily against *We the People of California and We the People of the United States*. Not only on the federal level but on the state and local level as well from City Council, County Board of Supervisors, School Boards which have become hot beds of open seditious disloyalty against all of their constituents and the Constitution of the United States.

TODAY WE THE PEOPLE RESPOND.

AN EMERGENCY ORDINANCE FOR THE REORGANIZATION OF THE STATE OF CALIFORNIA GOVERNMENT

We the People of the State of California by their Delegates assembled do ordain as follows:

A Governor, Lieutenant Governor, Attorney General, and Secretary of State for the State of California shall be appointed by this body to discharge the duties and exercise the powers which pertain to their respective offices by the existing laws of the State under the Constitution of 1849/50 as approved by the United States Congress at the time of statehood, and to continue in office for six months, or until their successors be elected and qualified. The General Assembly is required to provide by law for an election of Governor and Lieutenant Governor by the people as soon as in their judgment such election can be properly held.

A Council, to consist of five members, shall be appointed by the Delegates assembled, to consult with and advise the Governor, respecting such matters pertaining to his official duties as he shall submit for consideration, and to aid in the execution of his official orders. Their term of office shall expire at the same time as that of the Governor.

We the People of California cannot rely upon a legal and just election system in the State of California which is supported by overwhelming evidence of fraudulent elections that has destroyed our republican form of government. To be sure, the California State Legislature, whose duty it is to legislate and ensure and conduct free and fair elections, has worked in conjunction with the State Executive and instituted wherever their usurped power extends, a reign of terror intended to suppress the free expression of the **Will of the People**, making elections a mockery and a fraud. The evidence of disloyalty to the Constitution of the United States is obvious. Therefore, the California State Legislature has no constitutional authority to conduct negotiations with **We the People** of California.

Therefore, the disloyal Legislature, Executive and Judiciary have shown clear and convincing evidence to **We the People** of California of their vacating and abandoning their fraudulently elected and appointed offices. This is evidence of abdication of their responsibilities of authority and sovereignty over the Citizens of the United States living in California State. Thus, the California Legislature, Executive and Judiciary have been committing acts of insurrection and secession against the Constitution of the United States, all of the States in the Union of States and all Citizens of the United States.

Therefore, those previously fraudulently elected to the disloyal California Legislature, Assembly and Senate under the California State Constitution of 1879 and all subsequent amendments and propositions are to be deemed disqualified from office effective September 9, 2022. Consistent with the **We the People of the State of New California Notice: Declaration of Constitutional Default** issued on September 9, 2022, those disloyal elected and appointed to the Executive and Judiciary branches are to be deemed disqualified from office effective September 9, 2022.

Constitutional restrictions make it necessary for the formation of a loyal government of California to the Constitution of the United States and the Union of States as proclaimed by compact by the United States Congress on September 9, 1850. Therefore, a Legislature whose unquestioned loyalty to the Constitution of the United States and the Union of States is the only Legislature who could then give permission for the creation of a new state.

New Assembly Members and Senators appointed to the Legislature of the Restored Government shall qualify themselves by taking the oath or affirmation hereinafter set forth and shall constitute the Legislature of the State. They shall discharge the duties and exercise the powers pertaining to the General Assembly. They shall hold their offices from the passage of this Ordinance until the end of the terms for which they were respectively appointed. They shall assemble and proceed to organize themselves as prescribed by existing laws in their respective branches. A majority in each branch of the members qualified as aforesaid shall constitute a quorum to do business. A majority of the members of each branch thus qualified, voting affirmatively, shall be competent to pass any act deemed necessary, provided they are consistent with the Constitution of the United States.

The appointed Governor, Lieutenant Governor, Attorney General, Secretary of State, members of the Legislature, and all officers now in the service of the State, or of any county, city or town thereof, or hereafter to be elected or appointed for such service, including the judges and clerks of the several courts, sheriffs, commissioners of the revenue, justices of the peace, officers of the city and municipal corporations, and officers of militia, and officers and privates of volunteer companies of the State, not mustered into the service of the United States, shall each take the following oath or affirmation before proceeding in the discharge of their several duties:

"I solemnly swear (or affirm) that I will support the Constitution of the United States, and the laws made in pursuance thereof, as the supreme law of the land, anything in the Constitution of the Restored Government of the State of California, to the contrary notwithstanding, and that I will uphold and defend the Restored Government of California,so help me God."

If any elective officer, who is required by the preceding section to take such oath or affirmation, fail or refuse to do so, it shall be the duty of the Governor, upon satisfactory evidence of the fact, to issue his writ declaring the office to be vacant, and providing for a special election to fill such vacancy at some convenient and early day to be designated in said writ, of which due publication shall be made for the information of the persons entitled to vote at such election, and such writ may be directed, at the discretion of the Governor, to the sheriff or sheriffs of the proper county or counties, or to a special commissioner or commissioners to be named by the Governor for the purpose. If the officer who fails or refuses to take such oath or affirmation be appointed by the Governor, he shall fill the vacancy without writ, but if such officer be appointed otherwise than by the Governor or by election, the writ shall be issued by the Governor, directed to the appointing power, requiring it to fill the vacancy.

**For those who don't understand the United States Constitution the
"Government" is "We the People".**

In New California State, we echo the thoughts, convictions, principles, and ideals of the Founders of the United States of America. **We the People** will retain our humanity, our natural and unalienable rights, and our autonomy, free from the shackles of slavery to *any form of government*.

**The overt nature of their totalitarian lust for control of every aspect
of the lives of "We the People" is now openly on display.**

ACTS OF INSURRECTION

The government of California, the current socialist governor/dictator and mono-party system along with local officials are following a coordinated design with the intent to actively engage in “Acts of Insurrection” against the U.S. Constitution.

ACTS OF SECESSION

The California government in conjunction with the socialist state executive, instituted wherever the current socialist governor/dictator has usurped power has actively engaged in “Acts of Secession” and have created a reign of terror on United States Citizens living in California with the intent to **secede** from the United States of America to thus destroy the very **Union of States** which secures our **Liberty and Freedom**.

ABDICATION OF AUTHORITY

Betrayal by the sitting **pusillanimous** socialist governor/dictator of California the mono-party legislature and local elected officials is evidence of “Abdication of their Responsibilities of Authority and Sovereignty” over the Citizens of the United States living in California State.

This concludes these proceedings.
