WHEREAS, the California Republic has abandoned the idea of one man, one vote and is the national leader in encouraging and financing the illegal foreign national invasion of the southern border of California.

WHEREAS, the California Republic operates with direct hostility to the Whig ideals of liberty that once made California the greatest state in the Union; and

WHEREAS, the California Republic now actively works against the principles of liberty through its departments, in its schools, and in arbitrary, selective enforcement of laws; and

nothing less than treason, insurrection, and a state of undeclared war against the citizens of California, the United States.

WHEREAS, the citizens of California, in the tradition of the Founders of the United States, seek to rejoin the United States and live under the tenants of liberty our fathers and grandfathers fought, bled, and died for; and these citizens who support the traditional liberties that are our birthright as Californians and Americans do seek a state of our own to be known as New California State; and

WHEREAS, we as the citizens of New California State pray the President of these United States of America exercise his authority under the Insurrection Act of 1807 to end the tyranny being foisted upon United States citizens living in California.

NOW THEREFORE, BE IT RESOLVED, we as the citizens of New California State, having observed the takeover and corruption of our once proud republic, give a clarion warning to the other states of the union that the old California Republic has been the experimental laboratory for what the enemies of liberty seek to export to other states for the destruction of the republican forms of government they hate.
