Statement of Intent

The Citizens of New California have decided to remedy the abuse of power by the government of California by exercising their right to form a new state provided in United States Constitution Article IV Sections 3 and Section 4.

“We are determined to live under a State Government in the United States of America and under the Constitution of the United States.”

New California Declaration of Independence January 15, 2018, states:

“Whenever any Form of Government becomes destructive, it is the Right of the People to alter or to abolish it, and to institute new Government...”

*“...when a long train of abuses and acts to seize and hold the people’s power without legal authority and pursuing invariably the same Object that clearly demonstrates a design to reduce them under absolute Despotism, it is their **RIGHT**, it is their **DUTY**, to throw off such Government, and to provide new Guards for their future security.*

*“The history of the present Governor and Government of California is a history of repeated injuries and usurpations, all having in direct object the establishment of a **Tyranny** over the Counties of New California and the State of California.”*

Preamble of the New California State Constitution states:

*“We, the representatives of the undersigned Counties within the State of California, **do acknowledge and humbly invoke the favor of Almighty God for continued civil and religious liberty to ourselves and our posterity....**”*

First Amendment of the United States Constitution states:

“Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the Government for a redress of grievances.”

Fourth Amendment of the United States Constitution states:

“The right of the people to be secure in their persons, houses, papers, and effects, against unreasonable searches and seizures, shall not be violated, and no Warrants shall issue, but upon probable cause, supported by Oath or affirmation, and particularly describing the place to be searched, and the persons or things to be seized.”

CONSTITUTIONAL DEFAULT THE NEWSOM INDICTMENTS

The people of California are suffering from a tyrannical state government which fails to provide a republican form of governance, enables and supports across its southern border the invasion of the United States of America by illegal foreign nationals and protects vicious criminals who commit outrageous acts of violence upon the Citizens of America, all caused by a government of and for a mono-party system lead by a tyrannical, pusillanimous dictator who openly defies federal law.

CALIFORNIA STATE VIOLATES:

United States Constitution Article IV Section 4

"The United States shall guarantee to every state in this union a republican form of government, and shall protect each of them against invasion; and on application of the legislature, or of the executive (when the legislature cannot be convened) against domestic violence."

United States Constitution Article VI

This Constitution, and the Laws of the United States which shall be made in Pursuance thereof; and all Treaties made, or which shall be made, under the Authority of the United States, shall be the supreme Law of the Land; and the Judges in every State shall be bound thereby, any Thing in the Constitution or Laws of any State to the Contrary notwithstanding.

United States Constitution First Amendment

"Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the government for a redress of grievances."

But Congress may by a vote of two-thirds of each House, remove such disability.

UNITED STATES SUPREME COURT

THE UNITED STATES SUPREME COURT ruled that one need not pick up arms in order to “levy war” in *US v Burr* (1807) 4 Cranch (8 US) 469, 2 L.Ed. 684. Treason is attacking or betraying a governmental authority to which one owes allegiance.

We the Citizens of the State of New California have Petitioned for Redress of Grievances in the most humble terms. Reading a total of one hundred ninety Grievances at County Courthouse locations within the borders of New California State during the course of four years.

Nor have *We the Citizens of the State of New California* been wanting in attentions to our California brethren but our repeated Petitions have been answered only by repeated injury.

A Governor, whose character is thus marked by every act which may define a tyrant, is unfit to be the elected Governor of a free people. Likewise, *Elected, Appointed and Regional Officials* of the State of California whose character is thus marked by every act which may define a tyrant, are unfit to be the Elected, Appointed and Regional Officials of a free people.

Governors and Officials of the State of California have exhibited Evidence of Tyranny and Treason against the Citizens, Counties, Towns and Cities of the State of California:

The history of the present Governor of California, the past Globalist Governor of California and other Officials of the State of California is a history of repeated injuries and usurpations, all having in direct object the establishment of an absolute Tyranny over the State of California.

Today California is in a state of free fall at all levels. This free fall has been orchestrated over the last 170 years by socialist and communist and we're now nearing the end of their socialist/communist plan that clearly demonstrates a design to reduce United States Citizens living in California under absolute Despotism. All their plans have been in direct violation of both Article IV, Section 4 and Article VI of the United States Constitution.

Let it be know to all the world New California State and the State of California are not the properties, not the administrative state, not the province of any theocratic ruler, nor any monarch, nor foreign entity or government but are *States* in the United States of America.

States Constitution Article IV, Sections 3 and 4 to throw off the tyranny that has been foisted upon all Citizens of the United States.

We, the citizens of the State of New California, and the sovereign Counties that lie within, united by our United States Constitution declare that this newly formed and sovereign State and “this nation, under God, shall have a new birth of freedom—and that government of the people, by the people, for the people, shall not perish from the earth.”

Let it be known that New California State will be brought into the Union of States as the 51st State with a *republican* form of government.

The State of California is in financial and Article IV, Section 4 Constitutional default and does not have constitutional standing as a member state in the Union of States called the United States of America. **We the People**, as citizens of the United States living in California, are following the process of West Virginia, that successfully restored the Virginia state government after the Wheeling Conventions of 1861. Congress admitted California into the **Compact** of Statehood within the United States of America in 1850 because their 1849 Constitution, ratified for consideration, guaranteed a *republican* form of government.

Gavin Newsom has enabled fraudulent election systems and has once again demonstrated why there is *no viable government in California* under his watch.

The Newsom Democracy has Devolved into Dictatorship and thus Seceded from the People of California.

An unconstitutional administrative state now exists in California, in direct violation of the September 9, 1850, **Compact** with the United States of America. The state of California no longer functions as a *republican* form of government, no longer provides freedom from invasion and domestic violence.

ACTS OF INSURRECTION

The government of California, the current socialist governor/dictator and mono-party system, along with local officials, are following a coordinated design with the intent to actively engage in “Acts of Insurrection” against the United States Constitution.

ACTS OF SECESSION

The government of California, in conjunction with the socialist state executive, instituted wherever the current socialist governor/dictator has usurped power, has actively engaged in “Acts of Secession” and has created a reign of terror on United States Citizens living in California, with the intent to **secede** from the United States of America to thus destroy the very **Union of States** which secures our **Liberty and Freedom**.

ABDICATION OF AUTHORITY

Betrayal by the sitting **pusillanimous**, socialist governor/dictator of California, the mono-party legislature and local elected officials is evidence of “Abdication of their Responsibilities of Authority and Sovereignty” over the Citizens of the United States living in California State.

ACTIONS

A reorganized, restorative government of California, consistent with the *Compact of 1850*, with the Congress of the United States, has been established, which is republican in form of government with an executive branch, judicial branch and a bi-cameral legislative branch.

New California State is a new state in development forming from the State of California. New California State is exercising its God-given Rights as declared in the 1776 United States Declaration of Independence and as ratified in the 1789 United States Constitution under Article IV Sections 3 & 4. New California is the making of a new state, just like 50 other states have been formed to make Union of States.

This concludes these proceedings.
