WHEREAS, the Declaration of Independence states: *“Whenever any form of government becomes destructive it is the right of the people to alter or abolish it, and to institute new government. And when a long train of abuses and acts to seize and hold the people’s power without legal authority and pursuing invariably the same Object that clearly demonstrates a design to reduce them under absolute Despotism, it is their right, it is their duty, to throw off such Government, and to provide new Guards for their future security.*

WHEREAS, the California state government is in direct violation of the United States Constitution, Article IV, Section 4. *“The United States shall guarantee to every state in this union a republican form of government and shall protect each of them against invasion; and on application of the legislature, or of the executive (when the legislature cannot be convened) against domestic violence.*

WHEREAS, the communist California governor, the communist mono-party system working side by side with communist local election officials have created a state-wide fraudulent election system in which a one-party system is guaranteed to control the state legislature, the state executive, the judicial systems and members of the United States Congress thus destroying the sovereignty of California.

WHEREAS, the Communist state governor and the mono-party system combined with rampant voter fraud at the local and state levels have created a structure of voter suppression that only benefits the tyrants and insures the implementation of a totalitarian California communist form of government.

WHEREAS, the results of the June 5, 2018 California Primary Election provided the evidence of the state-wide fraudulent election system in which a one “mono” party system is guaranteed to control the state legislature, state executive and Congressional seats following the fraudulent “jungle primary” system. There were forty one (41) legislative seats without Republicans on the ballot, NO Republican candidate for Lt. Governor, NO Republican Candidate for Insurance Commissioner, NO Republican candidate for Superintendent of Public Instruction. Out of 80 Assembly Districts, 25 did not have a Republican candidate on the ballot. Out of 20 State Senate Districts on the ballot—six were without a Republican candidate. Of 53 congressional districts, 10 did not have a Republican and there were NO Republican candidates for the U.S. Senate for the second straight election.

WHEREAS, utilizing Marxist-Leninist and Maoist revolutionary tactics, the communist California governor, mono-party system and local government officials support and celebrate these tactics as a means to introduce and subvert all aspects of California government and civil society in an attempt to destroy the State of California and breakdown the sovereignty of the Union of the United States of America.

WHEREAS, Betrayal by the governor of California, the mono-party legislature and local elected officials is evidence of abdication of their responsibilities of authority and sovereignty over the State and Citizens of the United States living in California; and

WHEREAS, arbitrary laws and arbitrary law enforcement is one of the hallmarks of tyrannical government;

WHEREAS, the California Republic operates with direct hostility to the Whig ideals of liberty that once made California the greatest state in the Union; and

WHEREAS, the California Republic now actively works against the principles of liberty through its departments, in its schools, and in arbitrary, selective enforcement of laws; and

WHEREAS, the combined soviet-styles regionalism and rise of the bureaucratic establishment have opened the door to unprecedented levels of corruption; and

WHEREAS, the California Republic now is openly hostile to the idea of government of, by, and for the people, in its repeated attempts to disenfranchise citizens and destroy both the state and Federal Republic through foreign influence; and

WHEREAS, The California Republic has violated the terms of joining the Federal Whig Republic and abandoned the form of government that was a condition for it to enter the federal union.

WHEREAS, the totalitarian governance system has created a reign of terror on United States Citizens living in California with the intent to secede from the United States of America and thus destroy the very Union of States which gives us our liberty and freedom.

WHEREAS, the actions of the California Republic contradict the tenants of both the original formation of the Bear Flag Republic and its eventual joining of the Federal Republic under many of the same auspices; and

WHEREAS, the federal government has reneged on its obligation under Article IV, Section Four of the United States to guarantee to every State in this Union a republican form of government; and

WHEREAS, we as the citizens of New California State pray the President of these United States of America exercise his authority under the Insurrection Act of 1807 to end the tyranny being foisted upon United States citizens living in California.

NOW THEREFORE, BE IT RESOLVED, we as the citizens of New California State, having observed the takeover and corruption of our once proud republic, give a clarion warning to the other states of the union that the old California Republic has been the experimental laboratory for what the enemies of liberty seek to export to other states for the destruction of the republican forms of government they hate.
