## Statement of Intent

The Citizens of New California have decided to remedy the abuse of power by the government of California by exercising their right to form a new state provided in United States Constitution Article IV Sections 3 and Section 4.

***“We are determined to live under a State Government in the United States of America and under the Constitution of the United States.”***

### **New California Declaration of Independence of January 15, 2018 states:**

*“Whenever any Form of Government becomes destructive it is the Right of the People to alter or to abolish it, and to institute new Government.*

*When a long train of abuses and acts to seize and hold the people’s power without legal authority and pursuing invariably the same Object that clearly demonstrates a design to reduce them under absolute Despotism, it is their **Right, it is their Duty**, to throw off such Government, and to provide new Guards for their future security.*

*The history of the present Governor and Government of California is a history of repeated injuries and usurpations, all having in direct object the establishment of a **Tyranny** over the Counties of New California and the State of California.*

### **Preamble of the New California State Constitution states:**

*We, the representatives of the undersigned Counties within the State of California, **do acknowledge and humbly invoke the favor of Almighty God for continued civil and religious liberty to ourselves and our posterity....***

### **First Amendment of the United States Constitution states:**

***“Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the government for a redress of grievances.”***

### **Fourth Amendment of the United States Constitution states:**

***The right of the people to be secure in their persons, houses, papers, and effects, against unreasonable searches and seizures, shall not be violated, and no warrants shall issue, but upon probable cause, supported by oath or affirmation, and particularly describing the place to be searched, and the persons or things to be seized.***

# STATE OF NEW CALIFORNIA DECLARATION OF TRUTH DISLOYALTY

The people of California are suffering from a tyrannical state government which fails to provide a republican form of governance, enables and supports across its southern border the invasion of the United States of America by illegal foreign nationals and protects vicious criminals who commit outrageous acts of violence upon the Citizens of America all caused by a government of and for a mono-party system lead by a tyrannical pusillanimous dictator who openly defies federal law.

## **CALIFORNIA STATE VIOLATES:**

### **United States Constitution Article IV Section 4**

*"The United States shall guarantee to every state in this union a republican form of government, and shall protect each of them against invasion; and on application of the legislature, or of the executive (when the legislature cannot be convened) against domestic violence."*

### **United States Constitution Article VI**

*This Constitution, and the Laws of the United States which shall be made in Pursuance thereof; and all Treaties made, or which shall be made, under the Authority of the United States, shall be the supreme Law of the Land; and the Judges in every State shall be bound thereby, any Thing in the Constitution or Laws of any State to the Contrary notwithstanding.*

### **First Amendment, United States Constitution**

*"Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the government for a redress of grievances."*

### **Fourteenth Amendment, United States Constitution**

*Section 3. No Person shall be a Senator or Representative in Congress, or elector of President and Vice-President, or hold any office, civil or military, under the United States, or under any State, who, having previously taken an oath, as a member of Congress, or as an officer of the United States, or as a member of any State legislature, or as an executive or judicial officer of any State, to support the Constitution of the United States, shall have engaged in insurrection or rebellion against the same, or given aid or comfort to the enemies thereof. But Congress may by a vote of two-thirds of each House, remove such disability.*

# DECLARATION OF DISLOYALTY

The evidence is now clear that patterns and acts of **DISLOYALTY** are on full display daily against *We the People of California and We the People of the United States*. Not only on the federal level but on the state and local level as well from City Council, County Board of Supervisors, School Boards which have become hot beds of open seditious disloyalty against all of their constituents and the Constitution of the United States.

**We the People** of California cannot rely upon a legal and just election system in the State of California which is supported by overwhelming evidence of fraudulent elections that has destroyed our republican form of government. To be sure the California State Legislature whose duty it is to legislate and insure and conduct free and fair elections has worked in conjunction with the State executive and instituted wherever their usurped power extends, a reign of terror intended to suppress the free expression of the **Will of the People**, making elections a mockery and a fraud. The evidence of disloyalty to the United State Constitution is obvious. Therefore the California State Legislature has no constitutional authority to conduct negotiations with **We the People** of California.

Therefore the disloyal Legislature, Executive and Judiciary have shown clear and convincing evidence to **We the People** of California of their vacating and abandoning their fraudulently elected and appointed offices. This is evidence of abdication of their responsibilities of authority and sovereignty over the Citizens of the United States living in California State. Thus the California Legislature, Executive and Judiciary have been committing acts of insurrection and secession against the United States Constitution and all of the States in the Union of States and all United States Citizens.

Therefore those previously fraudulently elected to the disloyal California Legislature, Assembly and Senate under the California State Constitution of 1879 and all subsequent amendments and propositions are deemed disqualified from office effective September 9, 2022. Consistent with the **We the People** of California Default notification issued on September 9, 2022 those disloyal elected and appointed to the executive branch and judiciary are to be deemed disqualified from office effective September 9, 2022.

Constitutional restrictions make it necessary for the formation of a loyal government of California to the United States Constitution and the Union of States as proclaimed by compact by the United States Congress on September 9, 1850. Therefore a legislature whose unquestioned loyalty to the United States Constitution and the Union of States is the only legislature who could then give permission for the creation of a new state.

Therefore the disloyal Legislature, Executive and Judiciary have shown clear and convincing failures to not abide by their oaths of office and it is recognized that there own actions have created irreconcilable breeches making separation inevitable.

Today California is in a state of free fall at all levels. This free fall has been orchestrated over the last 170 years by socialist and communist and we're now nearing the end of their socialist/communist plan that clearly demonstrates a design to reduce United States Citizens living in California under absolute Despotism. Today this plan has eliminated the three branches of government, created a mono-party legislature which has enabled and empowered the rise of a **pusillanimous** Governor turned dictator.

**For those who don't understand the United States Constitution the  
"Government" is "We the People".**

In New California State, we echo the thoughts, convictions, principles, and ideals of the Founders of the United States of America. **We the People** will retain our humanity, our natural and unalienable rights, and our autonomy, free from the shackles of slavery to *any form of government*.

**The overt nature of their totalitarian lust for control of every aspect  
of the lives of "We the People" is now openly on display.**

# ACTS OF INSURRECTION

The government of California, the current socialist governor/dictator and mono-party system along with local officials are following a coordinated design with the intent to actively engage in “Acts of Insurrection” against the U.S. Constitution.

# ACTS OF SECESSION

The California government in conjunction with the socialist state executive, instituted wherever the current socialist governor/dictator has usurped power has actively engaged in “Acts of Secession” and have created a reign of terror on United States Citizens living in California with the intent to **secede** from the United States of America to thus destroy the very **Union of States** which secures our **Liberty and Freedom**.

# ABDICATION OF AUTHORITY

Betrayal by the sitting **pusillanimous** socialist governor/dictator of California the mono-party legislature and local elected officials is evidence of “Abdication of their Responsibilities of Authority and Sovereignty” over the Citizens of the United States living in California State.

**This concludes these proceedings.**

**New California State is a new state in development forming from the State of California. New California State is exercising its God Given Rights as declared in the 1776 United States Declaration of Independence and as ratified in the 1789 United States Constitution under Article IV Section 3. New California is the making of a new state just like 50 other states have been formed to make Union of States.**
