Grievance 92

JANUARY 25, 2022

New California is a new state in development exercising its Constitutional Right to form from the State of California. The process to form New California is authorized and codified in Article IV Sections 3 & 4 of the United States Constitution.

Statement of Intent

The Citizens of New California have decided to remedy the abuse of power by the government of California by exercising their right to form a new state provided in United States Constitution Article IV Sections 3 and Section 4.

“We are determined to live under a State Government in the United States of America and under the Constitution of the United States.”

New California Declaration of Independence of January 15, 2018 states:

“Whenever any Form of Government becomes destructive it is the Right of the People to alter or to abolish it, and to institute new Government.

When a long train of abuses and acts to seize and hold the people’s power without legal authority and pursuing invariably the same Object that clearly demonstrates a design to reduce them under absolute Despotism, it is their Right, it is their Duty, to throw off such Government, and to provide new Guards for their future security.

Preamble of the New California State Constitution states:

We, the representatives of the undersigned Counties within the State of California, do acknowledge and humbly invoke the favor of Almighty God for continued civil and religious liberty to ourselves and our posterity....

First Amendment of the United States Constitution states:

"Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the government for a redress of grievances."

Fourth Amendment of the United States Constitution states:

The right of the people to be secure in their persons, houses, papers, and effects, against unreasonable searches and seizures, shall not be violated, and no warrants shall issue, but upon probable cause, supported by oath or affirmation, and particularly describing the place to be searched, and the persons or things to be seized.

The Counties of New California State brought forward 95 Chapter I Grievances between January 2018 and November 2019. On April 28, 2020 New California State will issue 95 additional Chapter II Grievances to be announced in public on Tuesdays at 11:00 am.

New California State is a new state in development forming from the State of California. New California State is exercising its God Given Rights as declared in the 1776 United States Declaration of Independence and as ratified in the 1789 United States Constitution under Article IV Section 3.

State of New California

Grievance 92

Declaration of Grievance Statement of Facts

The people of California are suffering from a tyrannical state government which fails to provide a republican form of governance, enables and supports across its southern border the invasion of the United States of America by illegal foreign nationals and protects vicious criminals who commit outrageous acts of violence upon the Citizens of America all caused by a government of and for a mono-party system lead by a tyrannical dictator who openly defies federal law.

CALIFORNIA STATE VIOLATES:

United States Constitution Article IV Section 4

"The United States shall guarantee to every state in this union a republican form of government, and shall protect each of them against invasion; and on application of the legislature, or of the executive (when the legislature cannot be convened) against domestic violence."

First Amendment, United States Constitution

STOP

SEDITION

EVIL IN THE “PROVINCE” OF CALIFORNIA

Sedition:

..is overt conduct, such as [speech](#) and [organization](#), that tends toward [rebellion](#) against the established order.

Sedition often includes [subversion](#) of a [constitution](#) and [incitement](#) of discontent toward, or [insurrection](#) against, established authority. Sedition may include any commotion, though not aimed at direct and open violence against the laws. Seditious words in writing are [seditious libel](#).

Because sedition is overt, it is typically not considered a subversive act, and the [overt acts](#) that may be prosecutable under sedition laws vary from one legal code to another.

A seditionist is one who engages in or promotes the interest of sedition.

Sedition is a crime in the United States under 18 U.S.C.A. § 2384 (2000), a federal statute that punishes seditious conspiracy, and 18 U.S.C.A. § 2385 (2000), which outlaws advocating the overthrow of the federal government by force.

The crime of seditious conspiracy is committed when two or more persons in any state or U.S. territory conspire to levy war against the U.S. government. A person commits the crime of advocating the violent overthrow of the federal government when she willfully advocates or teaches the overthrow of the government by force, publishes material that advocates the overthrow of the government by force, or organizes persons to overthrow the government by force. A person found guilty of seditious conspiracy or advocating the overthrow of the government may be fined, sentenced to up to 20 years in prison. States also maintain laws that punish similar advocacy and conspiracy against the state government.

For those who don't understand the United States Constitution the "Government" is "We the People".

The evidence is now clear that acts of sedition are on display daily against We the People the people. Not only on the federal level but on the state and local level as well from City Council, county Board of Supervisors, School Boards which have become hot beds of open sedition against all of their constituents.

The overt nature of their totalitarian lust for control of every aspect of the lives of "We the People" is now a deadly blood lust.

At the state level California has been returned to provincial status by seditious defaulting in its obligations to fulfill its Constitutional responsibility under *Article IV, Section 4 and Article VI* of the U.S. Constitution. California is no longer in compliance with the contract made between the "State" of California and The United States of America when the *State of California* was granted "state hood" status by the United States Congress in 1850.

Since California before 1850 was never a "territory" of the United States and never went through the territorial process to become a state there are two country's that have laid historical claim to California as "*their province*".

Since these countries laid "claim" to California between 1492 and 1850 they are now poised to reclaim their province which has now fallen into provincial status by contract failure with the Union of States known as the United States of America.

Miriam Webster Defines Province:

Definition of *province*

1a: a country or region brought under the control of the ancient Roman government

b: an administrative district or division of a country

c: provinces plural : all of a country except the metropolises

2a: a division of a country forming the jurisdiction of an archbishop or metropolitan

b: a territorial unit of a religious order

3a: a biogeographic division of less rank than a region

b: an area that exhibits essential continuity of geologic history *also :* one characterized by particular structural or petrological features

4a: proper or appropriate function or scope : SPHERE that question is outside *my province*

b: a department of knowledge or activity

In New California State, we echo the thoughts, convictions, principles, and ideals of the Founders of the United States of America. We will retain our humanity, our natural and unalienable rights, and our autonomy, free from the shackles of slavery to *any form of government*.

Insurrection

The government of California, the current socialist governor/dictator and mono-party system along with local officials are following a coordinated design with the intent to actively engage in “*Acts of Insurrection*” against the U.S. Constitution.

The **Insurrection Act of 1807** and the *Emergency Economic Powers Act* are United States federal laws that govern the ability of the President of the United States to deploy military troops within the United States to put down lawlessness insurrection, and rebellion.

Acts of Secession

The California government in conjunction with the socialist state executive, instituted wherever the current socialist governor/dictator has usurped power has actively engaged in “*Acts of Secession*” and have created a reign of terror on United States Citizens living in California with the intent to **secede** from the United States of America to thus destroy the very **Union of States** which secures our **Liberty and Freedom**.

Abdication of Authority

Betrayal by the sitting socialist governor/dictator of California the mono-party legislature and local elected officials is evidence of “*Abdication of their Responsibilities of Authority and Sovereignty*” over the Citizens of the United States living in California State.

NEW CALIFORNIA STATE is the answer to limiting the runaway power of the corrupt bureaucracy of tyranny, surveillance, oppression, and control by the moneyed interests of supra-national corporations, NAZI, cartels and Communist China.

Prayer

The Citizens of New California State Pray for the Military to exercise its authority under continuity of government and the Insurrection Act of 1807 to initiate the Military’s use of Martial Law and create the restored government of California as requested by New California State to end the tyranny being foisted upon the United States of America.

This concludes these proceedings.
