New California is a new state in development exercising its Constitutional Right to form from the State of California. The process to form New California is authorized and codified in Article IV Sections 3 & 4 of the United States Constitution.

Statement of Intent

The Citizens of New California have decided to remedy the abuse of power by the government of California by exercising their right to form a new state provided in United States Constitution Article IV Sections 3 and Section 4.

“We are determined to live under a State Government in the United States of America and under the Constitution of the United States.”

New California Declaration of Independence of January 15, 2018 states:

“Whenever any Form of Government becomes destructive it is the Right of the People to alter or to abolish it, and to institute new Government.

*When a long train of abuses and acts to seize and hold the people’s power without legal authority and pursuing invariably the same Object that clearly demonstrates a design to reduce them under absolute Despotism, it is their **Right, it is their Duty**, to throw off such Government, and to provide new Guards for their future security.*

Preamble of the New California State Constitution states:

We, the representatives of the undersigned Counties within the State of California, do acknowledge and humbly invoke the favor of Almighty God for continued civil and religious liberty to ourselves and our posterity....

First Amendment of the United States Constitution states:

"Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the government for a redress of grievances."

Fourth Amendment of the United States Constitution states:

The right of the people to be secure in their persons, houses, papers, and effects, against unreasonable searches and seizures, shall not be violated, and no warrants shall issue, but upon probable cause, supported by oath or affirmation, and particularly describing the place to be searched, and the persons or things to be seized.

The Counties of New California State brought forward 95 Chapter I Grievances between January 2018 and November 2019. On April 28, 2020 New California State will issue 95 additional Chapter II Grievances to be announced in public on Tuesdays at 11:00 am.

New California State is a new state in development forming from the State of California. New California State is exercising its God Given Rights as declared in the 1776 United States Declaration of Independence and as ratified in the 1789 United States Constitution under Article IV Section 3.

State of New California

Grievance 59

Declaration of Grievance Statement of Facts

The people of California are suffering from a tyrannical state government which fails to provide a republican form of governance, enables and supports across its southern border the invasion of the United States of America by illegal foreign nationals and protects vicious criminals who commit outrageous acts of violence upon the Citizens of America all caused by a government of and for a mono-party system lead by a tyrannical dictator who openly defies federal law.

California State Government Violates the Following: United States Constitution Article IV Section 4

"The United States shall guarantee to every state in this union a republican form of government, and shall protect each of them against invasion; and on application of the legislature, or of the executive (when the legislature cannot be convened) against domestic violence."

United States Constitution Article VI

This Constitution, and the Laws of the United States which shall be made in Pursuance thereof; and all Treaties made, or which shall be made, under the Authority of the United States, shall be the supreme Law of the Land; and the Judges in every State shall be bound thereby, any Thing in the Constitution or Laws of any State to the Contrary notwithstanding.

First Amendment, United States Constitution

"Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the government for a redress of grievances."

Fourteenth Amendment, United States Constitution

Section 3. *No Person shall be a Senator or Representative in Congress, or elector of President and Vice-President, or hold any office, civil or military, under the United States, or under any State, who, having previously taken an oath, as a member of Congress, or as an officer of the United States, or as a member of any State legislature, or as an executive or judicial officer of any State, to support the Constitution of the United States, shall have engaged in insurrection or rebellion against the same, or given aid or comfort to the enemies thereof. But Congress may by a vote of two-thirds of each House, remove such disability.*

ORDER OF THE DAY TAKING ACTION

All over the state of New California Patriot Citizens are taking action. No longer content to see nothing being done by a totalitarian government from Sacramento who levies outrageous taxes without representation then destroys the lives of millions of citizens through forced vaccinations, denial of constitutional rights, school closures and business destruction.

Now New California State Citizens are taking action against the totalitarian dictator governor and his fellow legislative henchmen through a simple Constitutional process that requires courage in the face of terror. "Process" is feared by the totalitarian because in process where the United States Constitution is concerned is where you find courage and Devine Truth.

The affidavit process has been around before the Constitution was written by the Founding Fathers. It represents a Citizens personal Grievance. An **affidavit** ([Medieval Latin](#) for *he has declared under oath*) is a written statement of fact voluntarily made by an *affiant* or [deponent](#) under an [oath](#) or affirmation which is administered by a person who is authorized to do so by law. Such a statement is witnessed as to the authenticity of the affiant's [signature](#) by a taker of oaths, such as a [notary public](#) or commissioner of oaths. An affidavit is a type of verified statement or showing, or in other words, it contains a verification, which means that it is made under oath on penalty of [perjury](#), and this serves as evidence for its veracity and is required in court proceedings.

Below is a portion of an affidavit currently in use in New California State:

AFFIDAVIT/DECLARATION OF TRUTH

This Affidavit/Declaration of Truth is lawful notification to you, and is hereby made and sent to you pursuant to the United States Constitution Article IV, Section 4, and specifically, the Bill of Rights, in particular, Amendments I, IV, V, VI, VII, IX and X, and The Bill of Rights of the California Constitution, in particular, Sections 1, 2, 3, 4, 7, 10, 17, 18, 26 and 27, California Election Codes, 13200, 13205 (B), 13205 (C) and requires your written rebuttal to me, in kind, specific to each and every point of the subject matter stated herein, within 10 days, via your own sworn and notarized affidavit, using true fact, valid law and evidence to support your rebuttal of the specific subject matter stated in this Affidavit/Declaration. You are hereby noticed that your failure to respond, as stipulated, and rebut, with particularity and specificity, anything with which you disagree in this Affidavit/Declaration, is your lawful, legal

and binding tacit agreement with and admission to the fact that everything in this Affidavit/Declaration is true, correct, legal, lawful, and fully binding upon you in any court in America, without your protest or objection and that of those who represent you. *U.S. v. Tweel*, 550 F. 2d. 297. “Silence can only be equated with fraud where there is a legal or moral duty to speak or where an inquiry left unanswered would be intentionally misleading.”

For those who wonder why we are taking action we look at the following for this is their plan:

“Jacques Attali was an advisor to François Mitterrand (former President of France) and wrote this in 1981:

*“In the future it will be a question of **finding a way to reduce the population**. We will start with the old man, because once he is over 60-65 years old, man lives longer than he produces and it costs society dearly.*

Then the weak and then the useless who do not contribute anything to society because there will be more and more, and especially finally the stupid.

Euthanasia directed at these groups; euthanasia must be an essential instrument of our future societies, in all cases.

*Of course, we will not be able to execute people or organize camps. **We will get rid of them by making them believe that it is for their own good.***

Too large a population, and for the most part unnecessary, is something economically too expensive. Socially, it is also much better for the human machine to stop abruptly rather than gradually deteriorate.

We won't be able to pass intelligence tests on millions and millions of people, you can imagine!

We will find something or cause it; a pandemic that targets certain people, a real economic crisis or not, a virus that will affect the old or the elderly, it does not matter, the weak and the fearful will succumb.

The stupid will believe it and ask to be treated. We will have taken care of having planned the treatment, a treatment that will be the solution.

The selection of idiots will therefore be done by itself: they will go to the slaughterhouse alone. “

All of our Founding Fathers exemplified the spirit of ***tenacity***. In the First Amendment, they secured a right to “petition the Government for a redress of grievances.” ***These words mean American citizens have a right not only to air their complaints but do so with the understanding that we demand action from the proper authorities.*** The proper authority to petition will vary depending upon the grievance, but the ***inalienable right of the citizen remains true regardless.***

California’s mono-party political machine, its socialist Governor, along with communist state legislators, socialist elected officials, agencies, and unelected regional governance boards, are colluding to create a Pure Totalitarian Communist California state.

Insurrection

The government of California, the current socialist governor/dictator and mono-party system along with local officials are following a coordinated design with the intent to actively engage in “*Acts of Insurrection*” against the U.S. Constitution.

The **Insurrection Act of 1807** and the *Emergency Economic Powers Act* are United **States** federal laws that govern the ability of the President of the United States to deploy military troops within the United States to put down lawlessness insurrection, and rebellion.

Acts of Secession

The California government in conjunction with the socialist state executive, instituted wherever the current socialist governor/dictator has usurped power has actively engaged in “*Acts of Secession*” and have created a reign of terror on United States Citizens living in California with the intent to **secede** from the United States of America to thus destroy the very **Union of States** which secures our **Liberty and Freedom**.

Abdication of Authority

Betrayal by the sitting socialist governor/dictator of California the mono-party legislature and local elected officials is evidence of “*Abdication of their Responsibilities of Authority and Sovereignty*” over the Citizens of the United States living in California State.

Prayer

The Citizens of New California State Pray for the Military to exercise its authority under continuity of government and the Insurrection Act of 1807 to initiate the Military’s use of Martial Law and create the restored government of California as requested by New California State to end the tyranny being foisted upon the United States of America.

This concludes these proceedings.
